ABOUT US

A child sitting in a classroom all too aware of the two inches of bare ankle and a digging waistline, dreading recess for fear of ridicule or being made to sit out for inadequate shoe wear. The woman who has nothing appropriate to wear to an interview. The man who can't afford the boots he needs to work. The family, evicted and locked out without a change of clothes. **These are the real-life experiences that weigh on individuals in this community.**

Poverty affects the most basic of needs. Clean clothing that fits, in like new quality, is a luxury to those living in poverty.

We provide quality clothing with the goal of removing barriers to success. Appropriate clothing is needed to gain employment, participate and be successful in school and to feel a sense of belonging in the community you live. We take extreme care in providing only clothing that reflects the respect and care we feel for our clients.

Our Vision is that no person or family within our service area lacks the clothing they need to secure employment, maintain a healthy and hygienic life, and be socially accepted.

Your support of Clothes Cabin through volunteering, cash contributions, and donating quality goods is deeply **appreciated**.

OUR PROGRAMS

QUALITY CLOTHING

Clients can visit us up to four times a year and receive quality clothing for each family member including one pair of new socks and new underwear.

HOMELESS SERVICES

For our clients identifying as homeless, we can provide storage lockers, a hot shower, mail boxes, and weekly laundry service.

PERSONAL HYGIENE

We provide small hygiene kits at every visit and new families receive a welcome kit with full size hygiene items.

COMMUNITY CLASSROOM

We partner with other nonprofits and government agencies to provide classes and support groups free of charge with the goals of crisis support and fostering independence.

BACK TO WORK

Clients can receive one pair of new steel-toed work boots when required for employment. We maintain a supply of interview and uniform clothing for clients starting work.

HOUSEHOLD LINENS

Clients may request sheets, towels or a blanket at each visit.

COMMUNITY PROJECTS

We contribute socks and underwear to City of Chandler's Back-to-School drive and provide clothes and backpacks as needed to school health offices.

SHARE OUR SURPLUS

We partner with more than a dozen local and international non-profit organizations to supply clothing we cannot use, expanding our reach to thousands of other families.
